Wash goods sale at Vaughan's.
Sale new waists, 70c, 98c, at The Vaughan Store.
Children's 20c tan hose for 15c pair at Perry's on Saturday.

As a heavy four-horse team owned by Herbert Leonard and loaded with sheets of steel was proceeding up South Main street yesterday afternoon, one of the animals in the rear came in contact with a sharp edge of the steel, cutting a gash in one leg. The animal at once became unruly, and in the melee which followed was thrown to the ground. It was uninjured, however, but in order to right matters it was necessary to unharness all of the horses.

YOUNG WOMAN A SUICIDE.

Catherine D. Devlin Found Dead in Room in Boston.
Boston, Aug. 18.—Miss Catherine D. Devlin, 27 years old, committed suicide in her room, on the second floor of the apartment hotel at 55 East Newton street, by gas asphyxiation, shortly after 6 o'clock last night. It was some time after her death that her body was found.

The young lady had lived in the house for about a year, but as the landlady is out of town the police were unable to learn anything of her friends or relatives last night. It was learned, however, that she had been employed as a stenographer by a Commercial street firm up to three weeks ago. No reason is known for her act.

Shortly after 6 o'clock, when Prescott P. Thompson, another lodger, returned to his room, he smelled gas and traced the odor to the room of Miss Devlin. He forced open the door, which had been locked, and found the young woman dead in a chair. Patrolman Harris of station 5 was summoned from the street and he found that the woman had attached a long tube to the gas jet. She placed the other end in her mouth and turned on the gas. Over her head was a pillow, a sheet and a heavy blanket, apparently arranged so as to prevent the escape of the gas.

BOY SWIMMER DROWNED.

Raymond Thibault of Haverhill, Mass., Seized by Cramps.

Haverhill, Mass., Aug. 18.—One boy was drowned and another nearly lost his life in Little river late yesterday afternoon, when in company with a number of other boys they were learning to swim. Twelve-year-old Raymond Thibault, son of Adela Thibault of Mt. Dustin avenue, was seized with cramps and went down before an attempt could be made to save him, while John McCarthy, aged 10, managed to get ashore.

The boys had large varnish cans attached under them to keep them from sinking. Young Thibault could not swim. The cans shifted so that their buoyancy was gone, and he sank. McCarthy's can also got twisted, but he could swim a little. There were other boys on the shore, but they could not aid their companions.
